Reasons for Allowance

1. Claims 8, 9, and 13-16 are allowed.

The following is an examiner's statement of reasons for allowance:

Gundewar et al. (U.S. Patent No. 6,381,610 B1) is the prior art of record that most closely anticipates the claimed invention. Gundewar is directed toward a project workspace that provides relevant templates for the task at hand; however, Gundewar does not expressly disclose or suggest the specific details of the claimed invention, which include the provision of a summary view, a task creation button, a folders and views section, a task title display and selection area, wherein the user has the specific selection capabilities set forth in lines 12-53 of claim 8, lines 14-49 of claim 13, and lines 12-48 of claim 15. Therefore, claims 8, 9, and 13-16 are deemed to be allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 3623
